

SETTLEMENT AGREEMENT

The Wyoming Department of Environmental Quality, Air Quality Division (“DEQ/AQD”), Herschler Building, 122 West 25th Street, Cheyenne, Wyoming 82002, and Green River Processing, LLC (“Green River”), 1050 17th Street, Suite 500, Denver, Colorado, 80265, enter into this Settlement Agreement (“Agreement”) to fully and finally resolve without litigation the alleged violations cited in the Notice of Violation docket number 5454-14 (“Notice of Violation”). The Notice of Violation alleged that Green River violated the Wyoming Air Quality Standards and Regulations (“Air Quality Rules”) and Permit 3-2-160 by exceeding permitted NO_x limits at the Blacks Fork Gas Plant and Compressor Station, located in Uinta and Sweetwater Counties, Wyoming (“Facility”).

Wyo. Stat. Ann. § 35-11-901(a)(ii) (2013) authorizes stipulated settlement, including payment of a penalty, implementation of compliance schedules, or other settlement conditions in lieu of litigation. To that end, Green River and the DEQ/AQD hereby agree as follows:

1. Green River is a Colorado company authorized to do business in Wyoming. Green River is the owner and operator of the Facility.

2. The DEQ/AQD is the executive branch agency of Wyoming government responsible for enforcing the Air Quality Rules.

3. Wyo. Stat. Ann. § 35-11-201 provides, “[n]o person shall cause, threaten or allow the discharge or emission of any air contaminant in any form so as to cause pollution which violates rules, regulations and standards adopted by the [environmental quality] council.”

4. Wyo. Stat. Ann. § 35-11-801 states, “In granting permits, the director may impose such conditions as may be necessary to accomplish the purpose of this act which are not inconsistent with the existing rules, regulations and standards.”

5. On August 10, 2012, DEQ/AQD issued Permit 3-2-160 to QEP Field Services Company for the Facility. On August 8, 2014, DEQ/AQD amended Permit 3-2-160 to change the owner of the Facility to Green River.

6. Condition F3 of Permit 3-2-160 limits NO_x emissions from the Waukesha 7042GSI (ENG 1) (“Engine”) to 0.7 grams per brake horsepower hour (“g/hp-hr”), 2.3 pounds per hour (“lb/hr”), and ten tons per year.

7. On June 25, 2014, Green River Processing performed emission testing on the Engine, as required by Permit 3-2-160. The NO_x emissions test results for the Engine were as follows:

- a. 10.28 g/hp-hr;
- b. 23.42 lb/hr.

8. On September 2, 2014, DEQ/AQD issued Notice of Violation 5454-14 to Green River. The Notice of Violation alleged that Green River was in violation of Condition F3 of Permit 3-2-160 for exceeding permitted NO_x limits.

9. Without admitting liability, and in lieu of litigation pursuant to Wyo. Stat. Ann. § 35-11-901(a)(ii), Green River agrees to pay to the DEQ/AQD the amount of ten thousand dollars (\$10,000) as a stipulated penalty to resolve the violations alleged in the aforementioned Notice of Violation. Green River agrees to make full payment by check made payable to the Wyoming DEQ/AQD, within thirty (30) days after Green River has been notified by DEQ/AQD that the final signature has been affixed to this Agreement. Green River agrees to mail the payment to Ann Shed, Compliance Program Principal, DEQ/AQD, Herschler Building, 122 West 25th Street, Cheyenne, Wyoming 82002.

10. Green River, by entering into this Agreement, does not concede or admit any liability, fault, or statutory noncompliance. Except as specifically provided for herein, nothing in this Agreement shall prejudice, waive, or impair any right, remedy, or defense that Green River may have against any entity.

11. Full compliance with this signed Agreement shall constitute full satisfaction for all claims by the DEQ/AQD against Green River arising from the allegations contained within the Notice of Violation and this Agreement. In reliance on this Agreement, the DEQ/AQD will refrain from taking further enforcement action against Green River for these particular alleged violations. By this Agreement, the Parties intend to resolve with prejudice all allegations that are contained within the Notice of Violation and this Agreement.

12. In the event that Green River fails to fulfill its obligations under this Agreement, Green River waives any statute of limitation claims that may apply in an enforcement action by the DEQ/AQD involving the specific matters described in the Notice of Violation or otherwise set forth in this Agreement.

13. This Agreement shall be admissible by either Green River or the DEQ/AQD without objection by the other party in any action between DEQ/AQD and Green River relating to the violations alleged herein.

14. Each party assumes the risk of any liability arising from its own conduct. Neither party agrees to insure, defend, or indemnify the other. Neither DEQ/AQD nor Green River shall have any claim against the other for attorneys' fees, or any other costs related to the preparation and resolution of this Agreement.

15. Any changes, modifications, revisions, or amendments to this Agreement are invalid unless mutually agreed upon by both parties, incorporated by written instrument, executed, and signed by all parties to this Agreement.

16. The laws of the State of Wyoming shall govern the construction, interpretation, and enforcement of this Agreement. The Courts of the State of Wyoming shall have jurisdiction over this Agreement and the parties, and the venue shall be the First Judicial District, Laramie County, Wyoming.

17. This Agreement, consisting of four (4) pages represents the entire and integrated agreement between the parties and supersedes all prior negotiations, representations, and agreements, whether written or oral.

18. The State of Wyoming and the DEQ/AQD do not waive sovereign immunity by entering into this Agreement and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. Ann. § 1-39-104(a) and all other state law.

19. The parties do not intend to create in any other individual or entity the status of third party beneficiary, and this Agreement shall not be construed to create such status. The rights, duties, and obligations contained in this Agreement shall operate only between the parties to this Agreement, and shall inure solely to the benefit of the parties to this Agreement. The parties to this Agreement intend and expressly agree that only parties signatory to this Agreement shall have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

20. DEQ/AQD reserves the right to enforce this Agreement against any and all subsequent owners and operators.

[INTENTIONALLY LEFT BLANK]

21. Each party represents that they are authorized to enter into this Agreement, agrees to comply with and to be bound by the terms of this Agreement, and further agrees that they will not contest the basis or validity of this Agreement.
